Dear Member/Friend:

Hope all you folk who boast a streak of Irish had a Happy St. Patrick's Day--and we hope you are all "living the life of Reilly" now that the snow isn't quite so deep. There have been no reports of any snowmobiles colliding with any of the local church steeples so guess we didn't quite reach the depth of the "year of the big snow".

We haven't too much news for you this time, but wanted to remind you that because of Easter we are having our next meeting Thursday April 1st, at 8.15 p.m. in Room 101 of the Glengarry District High School. The very south-east corner, and parking just beside.

Mrs. Harper has ordered films, and they will be easier to use where the projector, etc. is available. We can relax and enjoy these following the business session.

We do hope that as many of you as possible will come out to encourage our new president, Marjorie Crowley. Marj. has been a tireless worker since she joined the society, and her efforts in connection with the Antiques Show and Sale have helped to turn this into one of our most successful ventures.

Now for the "bits of news".

Manda and Grant MacGillivray journey to Herrickville the last week in March to tell the Historical Society folk there about Glengarry, its museums and some of its history. They will be guests of Col. and Mrs. Duncan Douglas who have charge of the Block-house Museum. The members of the Herrickville group plan to tour our area and visit the museums this summer. This bit of togetherness has come about through contacts our society has made at the Eastern Ontario Regional Council of the Ontario Historical Society. This area stretches from Belville-Napanee-Westport---right down to Glengarry.

Further to the above, on April 24th we are co-sponsoring the spring Regional Council meeting at the Moose Head Inn, South Lancaster. About twenty societies are eligible, and two delegates are expected from each participating society.

Now, don't forget folks--April 1st, 8.15 p.m., G.D.H.S.

Sincerely yours,

Harriet J. MacKinna

(Mrs. W. A.) Corresponding Sec'y.

PLEASE
